

License Agreement

Commercial license for Arca Solutions Inc.

THE TINYMCE SOFTWARE LICENSE AGREEMENT

This License Agreement is a legal agreement between you ("LICENSEE") (either an individual or a single entity) and Moxiecode Systems AB ("MOXIECODE") for the software product TinyMCE which includes computer software and electronic documentation (collectively the "SOFTWARE").

This license overrides the LGPL license for the SOFTWARE, unless this license is found invalid.

This license agreement is only valid if LICENSEE has completed the payment for the commercial license.

By installing, copying, or otherwise using the SOFTWARE, you agree to be bound by the terms of this License Agreement.

If you do not agree to the terms of this License Agreement, MOXIECODE is unwilling to license the SOFTWARE. In such event, the LGPL license will count as the valid license agreement.

YOU AGREE THAT YOUR USE OF THE SOFTWARE ACKNOWLEDGES THAT YOU HAVE READ THIS LICENSE, UNDERSTAND IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.

1. Using the SOFTWARE

If you have purchased a license for the SOFTWARE, subject to the terms and conditions of this Agreement, MOXIECODE grants you, LICENSEE, a limited, non-exclusive license to install or include the SOFTWARE in your own software and use that copy of the SOFTWARE only in accordance with this Agreement.

LICENSEE may use the SOFTWARE to operate in conjunction with other software.

The LICENSEE is allowed to resell or redistribute the software as part of another product or service.

The LICENSEE is allowed to remove any copyright notices, and does not need to inform users that they are using the SOFTWARE.

The LICENSEE is allowed to make modifications to the software without contributing back to the open source community.

The LICENSEE is allowed to market the SOFTWARE as a feature in their own product, without mentioning the open source variant.

2. Restrictions

LICENSEE may not:

- (i) Sell or distribute the software completely standalone, it may only be distributed with LICENSEE products.
- (ii) Use the SOFTWARE to compete with the open source version of the SOFTWARE, for example, creating a new open source branch using this commercial version.
- (iii) In anyway, within any timeframe, endanger the open source version of the SOFTWARE.
- (iv) Market the SOFTWARE separately from LICENSEE products as their own creation.

3. Termination

This License Agreement is effective until terminated. MOXIECODE may terminate this License Agreement if LICENSEE fails to comply with the terms and conditions of this License Agreement. In such event, LICENSEE must destroy all copies of the SOFTWARE and all of its component parts. All provisions relating the ownership, disclaimer of warranties, limitation of liability and the general provisions shall survive the termination of this License Agreement.

4. Ownership

The SOFTWARE is licensed, NOT sold. The foregoing License Agreement gives LICENSEE limited rights to use the SOFTWARE. All rights, title and interest, including all copyrights, in and to the SOFTWARE and any copies LICENSEE is permitted to make herein are exclusively owned by MOXIECODE and/or its suppliers and are protected by copyright, trademark and trade secret law and international treaties. MOXIECODE retains all rights not expressly granted to LICENSEE in this License Agreement.

5. Limited Warranty.

MOXIECODE warrants to you that for a period of fifteen (15) days from the date of purchase, as evidenced by a copy of the receipt, the media on which SOFTWARE is furnished (if any) will be free of defects in materials and workmanship under normal use. Except for the foregoing, SOFTWARE is provided "AS IS". Your exclusive remedy and MOXIECODE's entire liability under this limited warranty will be at MOXIECODE's option to replace SOFTWARE or refund the fee paid for SOFTWARE.

6. DISCLAIMER OF WARRANTY.

UNLESS SPECIFIED IN THIS AGREEMENT, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON INFRINGEMENT, ARE DISCLAIMED, EXCEPT TO THE EXTENT THAT THESE DISCLAIMERS ARE HELD TO BE LEGALLY INVALID.

7. LIMITATION OF LIABILITY.

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL MOXIECODE OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF MOXIECODE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In no event will MOXIECODE's liability to you, whether in contract, tort (including negligence), or otherwise, exceed the amount paid by you for SOFTWARE under this Agreement. The foregoing limitations will apply even if the above stated warranty fails of its essential purpose.

9. Governing Law.

Any action related to this Agreement will be governed by Swedish law. No choice of law rules of any jurisdiction will apply.

10. Severability.

If any provision of this Agreement is held to be unenforceable, This Agreement will remain in effect with the provision omitted, unless omission would frustrate the intent of the parties, in which case this Agreement will immediately terminate.

11. Entire Agreement

This License Agreement constitutes the entire agreement between LICENSEE and MOXIECODE and supersedes any other prior agreements or understandings, whether oral or written, regarding the SOFTWARE. If a provision of this agreement is deemed null and void, invalid or without effect, the remainder of this agreement shall remain in effect.
